WASHINGTON EMBASSY REPORTS RE EVENTS IN CUBA

Reports of November 16 and 17 state: 1) Eight missile parts (not tubes) some 100 feet in length were seen in Martel port area; 2) Work is proceeding quickly on six military installations in Cuba with both Russians and Cubans in evidence. These are key defense points, partly underground, and may have intermediate range missiles. Installations are at Playa de Adicamas (Mayanigua 37) (Pinar del Rio) near La Coloma; Guajay el Chico (Habana) near El Cano where tunnel under construction; Cayo Largo (Las Villas) at Punta Corda some 25 km. West of Esakola de Sagua; Bares; Baitiquiri (Oriente) 25 km. East of Guanarumo; and Chivirico (Oriente).

Report of November 17 stated: 1) Roa had not taken part in any of the Cuban regime talks with Mikoyan; 2) Major military troop movements were taking place throughout Cuba; 3) Lazara Pena, veteran communist and head of the Cuban labor movement, has left Cuba for the USSR. He has had differences with the Castro brothers.

Reports of recent day indicate heavy movement military equipment (USSR) including evidence of renewed transport of sand and gravel. Press summaries of November 16 and 17 state: 1) Castro letter of November 15 to UN Secretary General given full play all papers, including editorial support by Revolution and Hoy; 2) Revolution and the Socialist paper, on November 17 featured front-page article entitled "Guantanamo is Indeed Cuba"; 3) Mikoyan photographed paying courtesy call on the Chevers and aides and reported to have visited Agriculture Institute farms with Agricultural Chief and veteran communist, Carlos Rodriguez; 4) Venezuela university student strike highlighted.
